Birthday Special

Draw a gift you’d like to get, and some of your favorite gifts to give:

Party Idea:
Wrap a party favor with many layers of paper (at least as many layers as the number of guests). On each layer write a funny fortune that you’ve come up with yourself. Each guest at your party can unwrap one layer and pass it to the next person. The person who unwraps the last layer gets to keep the prize, and everyone gets his or her fortune told!
Let’s Draw Curious George!

1. Start with George’s eyes.

2. Next comes George’s face.

3. Then draw George’s nose.
